

Please...Help Us Help People

For more than 100 years, people in need throughout Middle and North Georgia have turned to the Society of St. Vincent de Paul for help.

Now, we're asking for your help. By becoming a Tee Off for Hope sponsor, you extend your philanthropic impact to reach the thousands of people we serve each year.

We often collaborate with other established charities to provide educational services and training to those struggling with poverty, language and cultural barriers, mental health and other challenges.

The Society of St. Vincent de Paul is among the nation's most effective and fiscally responsible charities—approximately 94% of funds received go directly to programs and services.
